

Gardening Workshops for 2020

Learn to Prune your Shrubs and Trees: £30 (1/2 day)

- Learn more about how to prune trees and shrubs
- Find out what to prune and when
- Examples demonstrated in the garden
- Finish with hot soup cosied up to the log burner!

Saturday 15th February: 10.00 – 12.30/1.00pm (including lunch)

New date tbc in summer – Using your prunings for propagating. Dates tbc.

Propagating from seeds and cuttings: £30 (1/2 day)

- Learn to lift and divide perennials
- Take cuttings from shrubs
- Plant seeds and pot on seedlings
- Warm up with some hot soup by the log burner!

Saturday 21st March: 10 – 12.30/1.00pm (including lunch)

An Introduction to Veggie Gardening: £30 (1/2 day)

- Spend half a day finding out how to sow and grow your own veggies for the forthcoming year
- Another chance to warm up with some hot soup by the log burner!

Usually March. Cancelled due to Coronavirus lockdown

Grow your Garden Know-How: £15.00 per session (1 ½ hours)

- Looking at what to do in the garden for each season
- Great for people new to gardening
- Opportunity to ask questions and develop your knowledge

Usually Spring, Summer and Autumn. Dates tbc after lockdown ends.

The Staycation Garden

- Come along and see my show garden at Harrogate Spring Flower show!

Usually April. Cancelled due to lockdown

An Introduction to Garden Design: £80 (2 days)

- Develop your knowledge to re-design your own garden
- Look at real-life examples in the garden
- Time to work on a design for your own garden

Weekend of 17th & 18th May: 10.00 – 4.00 (bring your lunch) ** Fingers crossed for the date! **

Weekend of 18th & 19th July: 10.00 – 4.00 (bring your lunch)

All workshops are held in our garden studio in the beautiful village of Sawdon. They include some theory and discussion, but also plenty of practical/hands-on time out in the garden with opportunities to ask questions.

Designs, Consultations and Talks

Down 2 Earth offers a one-to-one garden design service.

This can include a detailed plan drawn to scale along with a planting plan, or just a quick sketch outline, and a few suggested plants. The choice is yours...

Outline Garden Design: Janice will take measurements of your garden, and then draw a scale plan. This also includes suggested plants for different parts of the garden – for example, a list of evergreen shrubs, or perennials, or plants ideal for ground cover.

Before

After

Planting plans, a planting service and project management service: are also offered as options in addition to the garden design service.

Talks: Janice is happy to talk to groups interested in gardening. This year she had talks lined up at Derwent Valley BRIDGE community library, the Network for Enterprising Women in Wykeham, and two local WIs. Please get in touch if you would like Janice to speak to your group after the lockdown.
